

To Whom It May Concern:

As per our telephone conversation of today, please find enclosed the following:

1. Application for Supplemental Water Meter
2. Resolution 7 - 2006

The Badger Model 25 and Kent Model C-700 meters with remote totalizer are approved meters for installation. Specifications for any other alternate choice should be enclosed with your application for prior approval. The meter must be equipped with an exterior mounted remote totalizer with a manual read display.

If you proceed with the installation of the deduction meter, please complete the application including providing a line drawing or sketch of the deduction meter line. Upon receipt and our review of the application, we will inform you to proceed with the installation. After the installation please call our office to schedule an inspection and initial reading on the two meters.

If you have any questions please call our office.

Sincerely,

Cecil Township Municipal Authority
